Dear Sir:

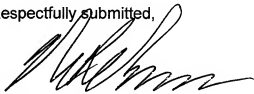

**LETTER TO EXAMINER TRANSMITTING
AMENDED DECLARATION OF NORMAN D. HINMAN
UNDER 37 C.F.R. §1.132**

This letter is accompanied by the Amended Declaration of Norman D. Hinman Under 37 C.F.R. §1.132 ("Amended Declaration") and, as a courtesy to Examiner, by a redlined version comparing the Amended Declaration to the Declaration of Norman D. Hinman Under 37 C.F.R. §1.132 as filed in the captioned application on April 29, 2009 ("Prior Declaration"). As stated in Par. 62 of the Amended Declaration, to the extent that any statement made therein differs, or can be read or interpreted to differ, from any statement made in the Prior Declaration, any and all such differences are based upon more careful reading of the Prior Declaration and/or the cited prior art references and/or error inadvertently made during preparation of the Prior Declaration, all of which were made in good faith and without any intent to deceive the Examiner, the United States Patent and Trademark Office, or any other person who may later have reason to read or

consider my statements made in the Prior Declaration or herein.

Please charge any fee that may be required to Deposit Account No. 12-1781 of
